HERE'S THE REASON WHY

Everybody Should Go Out and Vote for the Money By-Law On October 16th

LIFE OF TOWN

Grimsby Has Yet to Lose First Dollar It Has Loaned—Radiant is an Example

On Thursday of next week, Oct. 16th, to be exact the citizens of GRIMSBY will be asked to express their opinion on a by-law that is of more than passing interest in these days of re-construction and advancement.

The by-law in question is the by-law to loan to the Canadian Stoves Co. which we spoke of in length two weeks ago, the sum of \$7500, for a period of ten years, to be paid back with interest in equal installments of \$1,012.61, per year.

This by-law is somewhat different than the other by-laws of a like nature which have come before the people in the past, as in this by-law the Company agrees to pay the interest on the money loaned to them, thus relieving the municipality of all liability. The other by-laws passed did not carry this provision, but the town paid the interest on the debentures, all the company receiving the loan paying back was the principal sum.

We have pointed out in these columns before that in order for a town to grow and prosper it must have factories and industries of all kinds and we do not need to go very far afield to have the fully exemplified to us.

GRIMSBY stands today as one of the most prosperous towns of its size in the Dominion of Canada and this has only come about through the aggressiveness of its citizens in getting out before the war and securing the factories that are now doing business here. We must have

The Canadian Stoves Ltd. is a clean factory if we wish to grow. cut proposition. They will open up their factory in GRIMSBY and employ not less than 35 men 200 days in the year. Now figure out what those men will earn and what they will spend in GRIMSBY every year and you will find that it is a mighty big item.

GRIMSBY has never lost a dollar on its loaning money to industries. We grant you that the "Eryd Co." moved away, but they took the town back every dollar they owed them before they moved. We lost nothing in cash there.

The Canadian Steel Furniture Co. got a loan from the town and went broke. It was not because their product was not in demand there caused this but a combination of circumstances was the cause. W. R. VanDyke and Sons took over the factory and equipment and assumed the town's mortgage on it and started in to do business. The result is that today this factory is running full blast and shipping goods by the carload. GRIMSBY up-to-date has not lost a dollar on this plant and it does not care if it ever will.

Along came the Metal Craft Co. They received a loan. To-day they are employing a large staff of men and are months behind in their orders. They have never lost the town a dollar and never will.

The Radiant Electric stands to-day as one of the finest factories of its kind on the continent. It borrowed money from the town, and while they were at one time back some two or three thousand dollars in "payments, they do not to-day owe the town of GRIMSBY one dollar and are going ahead doing business.

Go into the Radiant factory today and what will you find? You will see over fifty employees working and goods going out the doors by the dray loads to all parts of Canada. The Radiant payroll is well over forty thousand dollars a month. Take this just off away from the merchants of GRIMSBY and see what a difference it will make. During the month of September over \$20,000 worth of goods were shipped out of this factory and there are on order to-day over \$100,000 worth of goods.

This company has in three orders alone contracts for 3,000 irons and they all have to be delivered before April 1st. Now 3,000 irons means 18,000 castings. Where are they going to come from? For over a year the Radiant Co. has been at its wits end to get castings. We will tell you where they will come from. Right from the foundry of Canadian Stoves Ltd.

The Radiant can't afford to turn

CLINE MAKES AN EXPLANATION RE RUMORS

Jordan Station, Oct. 6th.
Editor—I am sending you for publication a copy of a letter I received from Mr. Wilson Cline, the U. P. O. candidate for West Lincoln. Thanking you in advance, I am yours respectfully, William Cline.

Mr. Wm. Scull, President U.P.O. West Lincoln:

Dear Sir:—My attention has been directed to some statements which are said to have been circulated by our opponents calling in question my loyalty to the British cause in the recent war. Of course, I need not point out that this is morally a repetition of the tactics pursued by party politicians for many years. scarcely an election has passed without one party or the other, and not infrequently both parties making use of this form of personal attack. But the fact that those who have the most intimate knowledge of my views on public questions, are my most loyal supporters, should dispose of these rumors in order that there should be no doubt however among my supporters, I desire to give these statements the most specific denial possible. Neither at the beginning of the war nor at any subsequent time did I ever justify my belief that any justification whatever was possible for the Germans going to war. At no portion of the war did I ever believe that they had any excuse for the policy of frightfulness on land or sea, nor did I ever desire for them any measure of military success, knowing as I did the consequences which must have fallen on the rest of the world. Many of my friends and acquaintances spent months of fighting at the front and I have nothing but respect for their devotion to duty and my only desire is that we who did not share in this work may now perform our public duties as loyalty and well. I may add that I am Canadian by birth and have lived all my life in the electoral district of West Lincoln. Both my parents, like myself are like long residents of the same district and while my ancestry is mixed like that of most other Canadians whose family history dates back to the pioneers, I have at least as much British blood as all other races combined.

I am yours faithfully,

WILSON CLINE

down business from the lack of castings. GRIMSBY cannot afford to allow the Radiant to turn down business for the lack of castings, when a VOTE FOR THE BY-LAW will put a foundry right at their door which will supply them with all the castings they need, and the same applies to the other factories in this town.

Where would GRIMSBY have been during the five years of the war if it had no home for its factories? Ask your merchants where we would have been. We would have been up the creek in a canoe without a paddle. We would have been like many another town in this country, on our backs and no relief in sight.

The head superintendent of the Smart-Turner Co. of Hamilton, was

the GRIMSBY pump house is the best equipped pump house and the best

handled pump house in Ontario for the size of the town, which speaks well

for the men at the head of affairs.

U. F. O. MEETING IN GRIMSBY

About fifty residents and supporters of the United Farmers movement from South GRIMSBY, North GRIMSBY attended the meeting in Moore's Theatre on Thursday night last. Several speakers gave audience to the aims and objects of the United Farmers and the Independent Labor Party.

FOOLISH BOYS MURT WITH DEATH

A week ago Sunday a gang of boys rambling around on the mountain side took an awful chance on their lives, in fact they were firing with death and didn't know it. They were along the road by Dismal Falls on the busy tool bus of the county road of sticks, shovels, crow-bars and other tools. The gang of cowards being in a foolish mood couldn't leave the box alone but proceeded to turn it upside down and roll it over a few pounds of dynamite and a few dozen sticks. Why the "caps" did not explode and mystifies Supt. Durham. Had several funerals on the Mountain long are this. It is about time the boys of this district were taught to leave things that don't belong to them alone.

ANOTHER GRIMSBY BOY MAKING GOOD

We have often stated in these columns that GRIMSBY boys all "Make Good" and they do. There has never been a GRIMSBY boy prove a failure yet when he stepped into the business life and financial circles of the outside world. Mr. Charles Farrell, editor of Mr. and Mrs. H. H. Farrell, the latest GRIMSBYITE to reach the top of the ladder of success. "Dad" as he is familiarly known by his home friends in this district was in town over the week-end on his way from St. Catharines, Ont., to Dundalk where he has been appointed Manager of the Union Bank in that place. "Dad" joined the Union Bank staff in GRIMSBY and was removed from here to the head office in Toronto. His rise upward has been a steady one and he has served as accountant and acting-manager in a number of the bank's branches up to the present time. Congratulations to your son Charles and may you continue to advance in your chosen profession.

POOR STEVE IS TOUCHED AGAIN

GRIMSBY has a new kind of a thief. This new breed is of the philanthropic breed. He robs you and then leaves a note behind giving you some good advice and notifying you that you have been robbed, thus saving you a lot of time in discovering it. This new marauder turned up at Steve McCoy's on Thursday night last picking the second lunch that Steve has received in the last two weeks and putting him in the "Much Robbed" class along with Louis Lazarus Goldfarb. While Steve and his assistants were all busy at the front end of his "Pappy Food Factory" about eight o'clock in the evening a slick thief stole in the back door which was unlocked and pocketed about \$50.00 worth of eatables from Steve's refrigerator. The culprit made no noise and was not heard by anyone. When Steve entered his kitchen some time later to prepare a meal he found the following note scrawled on a piece of paper, hanging on the handle of a frying pan: "Better lock your door, I just stole \$5.00." Steve now has fourteen padlocks and twenty-two bolts on the back door of the shop, but he likes all the rest of our merchants "locked the stable door after the horse was stolen."

IMPROVEMENTS AT THE PUMP HOUSE

There have been great improvements made at the lake the past year in connection with the waterworks filtering basin and pump house.

Early in the spring the water served up to the consumers was very dirty and dirty, sometimes being a very dark brown in color. This was caused by the extreme high water in the lake which was away up over the top of the cement pier which carries the intake pipe out into the lake. The shutoff valve that controlled the intake pipe was set out on the pier some considerable distance and when the high water came it was impossible to get at this valve to shut it off or open it. As soon as the water receded sufficiently Supt. Randall had this valve moved in towards the shoreline and placed in a solid cement base, so that it now can be got at at any time regardless of the height of the lake level. The opening and shutting of this valve controls the water coming through the intake pipe before it passes through the charcoal tanks for purification.

Previous to this year when it became necessary to clean the large filtering basin, the town water supply was placed in a precarious position on account of the fact that there was only one pipe line from the charcoal tanks into the pump. This line ran into the filtering basin and consequently when the basin was shut off the town had to depend on the reservoir for water.

Supt. Randall has had an emergency line constructed from the pump to the charcoal tanks. This line is controlled by a valve in the pump house. When the main line is turned off they can then open the other line and pump direct out of the charcoal tanks without interfering with the cleaning of the big basin.

The high water this year caused a lot of the earth behind the cement revetment wall to be washed away but this will be filled in and next season will find a nice lawn with flower beds and bushes laid out between the pump house and the lake.

At the time the new filtering basin and chlorine tanks were constructed, a small pipe line working on the suction system was installed for the purpose of cleaning the basin. It was found that this system was too slow and tedious a way of cleaning. A tank was cut in the roof, which goes right down into the ground beneath the basin. A tower has been built over the top of the bucket carrier on the roof. Previously it took five men three days to clean the basin out, now the work can be done by two men in less than half a day. The water is carried out by the buckets and dumped into a drain which carries it back into the lake. It is operated by a belt and shafting running from a pulley bolt on the side of the big drive wheel of the little water pump, so fast it really costs the town nothing to operate. While the little pump is driving the bucket carrier it is also pumping water up through the system.

The two new double unit centrifugal pumps are working away every day in the pump house and Engineer Shannon says he never has the least bit of trouble with them.

The pump house as it stands today is in excellent shape as is the basin, charcoal tanks and everything else that is connected with the lake end of the water works system. Engineer Shannon has everything in his department working like a clock and as clean as a woman's kitchen.

The head superintendent of the Smart-Turner Co. of Hamilton, was

a scurvy of waterworks pumps and pump house fittings, says that

the GRIMSBY pump house is the best equipped pump house and the best

handled pump house in Ontario for the size of the town, which speaks well

for the men at the head of affairs.

THE HAIR-A-MA-TAZZ FROM THE LAND OF JAZZ

With the closing last Saturday night of the Beach Dance Hall the young folks of this district began to wonder when they were going to hear again some more of that real old "Hair-a-ma-tazz" from the old land of Jazz as only those two syncopating artists from Jasland, Messrs. Lewis and Johnson could serve it up.

Well kids you won't have to wait long for those famous foot-tapliners have been engaged by the G. H. Jolly Club to play at their dance in Winsor Hall every Saturday night all through the winter.

DECISION IN FAVOR OF TOWN
Case of Bowbeer vs. Grimsby Dismissed With Costs Against Complainant

FAKE PHOTOS
Supt. Randall Proves Watercock Photos Exhibited Not the One He Hit

His Lordship, Chief Justice Sir Gilmour Falconbridge gave judgment in the Supreme Court Friday in favor of the Village of GRIMSBY in the action brought by Clifford D. Bowbeer against the Corporation for physical damages, etc. It was claimed to a water cock which projected in the road way.

When the case opened on Wednesday Bowbeer swore that he was thrown off the dray he was driving when the front wheels of the vehicle struck the projecting water cock. He produced two pictures showing that the water cock stuck up out of the ground six inches or more. The hearing was then adjourned until Friday.

On Friday Supt. Randall and Supt. Farrell proved conclusively that the watercock was supposed to have hit was actually the watercock that shut off the large main, which sets out in an even road and is and always has been covered with earth. They proved the pictures that he exhibited were pictures of small private service water cocks. One of them being in front of the residence of Arthur Durand. This projection does sit up out of the ground six or eight inches but is inside the curb on the sidewalk, right opposite the one which he struck. The other picture which was supposed to be a second view of the watercock that nearly killed him was a fake pur and simple being a picture of a private service watercock at the corner of Robinson and Main Streets.

Delbert Durham, Road Foreman for the County was on hand prepared to swear that in all the years that he had worked on the Main road he has never yet found the big watercock uncovered, but he was not called upon as his Lordship dismissed the case with costs against the complainant as soon as it was shown that Bowbeer's photographs were false.

IN POLICE CIRCLES
Last Thursday afternoon Chief Konkle was notified by the Dundas police to be on the lookout for a young man by the name of Thompson who was wanted in the Wentworth county town of Elgin. The chief got busy and soon had the lad locked up. The boy told the chief that he had the wrong man and the chief after some investigating found out that he had and that the Dundas police were on the wrong track.

Chief Lamond of Dundas came down and after taking a look at the Thompson lad admitted that he was the wrong one. In the meantime Chief Konkle located the two men who were really wanted at a dance in Winsor Hall and went up there and arrested them.

They gave the names of Stewart Gilmour of Meaford and Hilton Ballantine of Toronto. They were taken back to Dundas by Lamond, magistrate Fry in the Dundas court. The former is 26 years of age, and the latter 17. Both were allowed their liberty on suspended sentence.

According to the evidence submitted the prisoners rented a horse and buggy from Willot Hall, living some time ago and on returning to the barn paid the amount of the charges. Engaging Mr. Hall in conversation, Gilmour, who used the alias of Harry Robbie, asked if the liveryman would cash a cheque for \$5, signed by Jim Hunt of West Flamborough. Knowing Mr. Hall recommended the young man. Later he found the cheque to be a forgery and in the search for the two individuals Chief Lamond had assumed the alias of Blackwell.

And these are the men who would deny a workingman or a decent business man, the privilege of buying a five-cent glass of beer if he desired to do so.

The tyranny of Kaiserism in Germany has come in an end—and the tyranny of Kaiserism of the Methodist church will, in due time, come to an end—when the common people realize that the big bugs in the Methodist Church are drinking their beers, secretly, while the ordinary individual cannot buy even a five-cent glass of beer.

The course of some of the churches, during the past few years has been to drive men of individual mind away from the place of worship—year by year the attendance of men at this class of church is becoming less and less and in due time the attendance of men at these churches will be entirely nil, while the attendance of women will increase for the purpose of seeing what is the latest fashions in military and war goods.

No church can have, within itself, an element of true Christianity while in playing a double game—and all in this province there are thousands upon thousands of cases where leading men in the Methodist church and in other churches, are openly supporters of prohibition—but they are secretly supporting liquor traffic by carrying a stock of liquor in their cellars.

In the records of the railway companies and the express companies, it is published in print and picture

the walls of this province, an astounding fact would be revealed to the people that ninety per cent. of them would go to the polls on the Twentieth of October and vote to repeal the Ontario Temperance Act.

The courses at this school have been arranged to meet the needs of MODERN business. That is why this school cannot fill half the calls it receives for trained office assistants.

They are PRACTICAL and THOROUGH. A graduate of this school secures a diploma of the Business Educators' Association of Canada—not of any individual school. This means a degree of efficiency which is of the highest order—a passport into the best business offices of your city.

MR. ROBERT NEWTON.

Little Beau d'Or, C. B.,
"I was a terrible sufferer from
Dyspepsia and Constipation for years.
I had pain after eating, belching gas,
constant headaches, and did not sleep
well at night. I lost so much weight—
going from 125 pounds to 105
pounds—that I became alarmed and
saw several doctors who, however,
did me no good. Finally, a friend
told me to try "Fruit-a-tives".

In a week, there was improvement.
The constipation was corrected; and
soon I was free of pain, headaches
and that miserable feeling that
accompanies Dyspepsia. I continued
to take this splendid fruit medicine
and now I am well, strong and
vigorous". ROBERT NEWTON.

MAKING DESSERTS THAT ARE EASY

Whips are an easily made dessert
that can be varied so that they never
become monotonous.

White of egg is the foundation of
all whips. They can be made with
or without gelatine. If you have
time, use the gelatine, especially if
eggs are expensive or scarce. If you
are in a hurry, simply use the egg
white.

To make the thickest whip, beat
the egg whites stiff and sweeten
them with powdered sugar—from
two teaspoons to a tablespoon. Then
add the flavoring, keep a long-
stemmed glass or any sort of
sherbet cups and serve.

Flavoring—Prune whip is delicious.
To make it, press about a dozen plump cooked prunes, through
a wire sieve. Beat the whites of two
eggs stiff, and sweeten with powder-
ed sugar. Flavor with a tablespoon
of sherry and add the prune whip.
Chill on the ice and serve.

To make orange whip, dice sweet
oranges. Whip the egg whites and
sweeten them to taste and add an
ounce of the finely dried oranges
and juice as they will take. Pile
the whip in glasses and pour the
rest of the juice, slightly sweetened,
around it. Serve cold.

With cake—if you have any stale
or fresh plain cake—soyage, pound
lady fingers or patty cakes—cut it
in neat dice or strips and put a
little in the bottom of each glass.
Then whip the egg whites, flavor
them with sherry and sugar, and
pile on top of the cake. Garnish with
a few chopped pecans.

With gelatine—to make plain
whips with gelatine soak two table-
spoons of gelatine in half a cup of
cold water. Then add a cup of boil-
ing water, half a cup of granulated
sugar, a tablespoon of vanilla and
five tablespoons of sherry. Cool
and when it begins to stiffen add the
unbeaten whites of two or three eggs.
Beat it until it becomes frothy, pile
in glasses, chill and serve.

Cherries may be used instead of
sherry. Substitute maraschino cher-
ries for sherry and vanilla, and
scatter chopped cherries in the whip.

Chocolate whip can be made by
boiling an ounce of unsweetened
chocolate with half a cup of sugar
and enough water to make a syrup.
When it has grown cool add it slowly
and carefully to four egg whites,
beaten stiff.

For Dessert—Make a smooth
custard and add chestnuts that
have been boiled very tender and
peeled through a sieve. Add a little lemon
juice and a bit of the grated rind.
Mix this with the custard, fill
short glasses more than half-full with
this and garnish with a little whipped
cream.

which comes to Moore's Theatre
on Thursday evening, October 10, is
without a doubt one of the most
entertaining and clever aggregations
of artistic talent that has ever ap-
peared in this country—and the
ticket sale for this attraction should
be unprecedented in the history of the
Branch. Take it up and sell the
tickets for your own benefit.

Our Dance is on Friday evening,
October 10th—This Friday night
and we look for a big turnout
splendid music and dances for old
and young. Admission: Fifty cents,
ladies refreshments.

The Garratt Concert Company

This splendid series of dives will
grace the boards of Moore's Theatre
on Thursday evening, October 10,
1919, under the auspices of the local
Branch of the War Veterans' Association;
and a short recuse of the
personnel and their lines of enter-
tainment will not be out of place;
for the information of the public:

Miss Martha E. Young, pianist,
will render both comic
music, readings of an educational
character.

Mr. James Biggs, vocalist, will sing
the latest song hits of New York,
which have not before been heard in
this District.

Mr. Elmer Berry, Blackface Comedian,
will give his infinite monologues interspersed by "rag" hits of
the latest calibre; parodies and
"end-man" stuff that will please any
audience.

Miss Flores, Violinist, will give a

classical and "old favorites" pro-
gram of more than ordinary merit.

Miss Mary Eckstein, Pianist, a six-
year old wonder, who has been
associated with the Eckstein Trio
on Victor Records that have made a
hit wherever put on sale.

Mr. A. C. Garrett, Pianist, will
make the piano get up and walk
around—his repertoire including
many original compositions and paro-
dies, combinations, etc., that are
highlight.

DON'T FAIL TO GET YOUR
TICKET

According to an order-in-council
issued under date of September 1,
1919, demobilization of the Canadian
expeditionary forces, is so far no war
service gratuity is concerned is declared
to be completed on October 1, 1919,
and no service performed after that
date shall be taken into consideration
for the purpose of gratuity.

This means that a soldier claim-
ing war service gratuity for three
or one year's service, as the case
may be, cannot count service after the
last instant in the period for which

gratuity is claimed.

YOU dues for the current quarter
are now due—prompt payment is des-
irable and helpful to the health of
the Branch.

A special extra attraction in the
program of the Garratt Concert Com-
pany, which appears in Moore's The-
atre on Thursday evening, October 10,

under the auspices of the G. W.
A. will be a piano-duet by Mr. Gar-
rett and Mr. Craven of Winsor.

A Steinway baby grand concert piano
will be used in all the selections.

Pat your shoulder to the wheel—
nobody will tell you if you don't help
the to.

Our soldiers have given—you must

do the same.

EMBROIDERING HANDKERCHIEFS

A woman who prides herself on
beautifully embroidered hand-
kerchiefs has solved the difficulty of
binding the handkerchief in the
embroidery hoop so that the corner
may be easily worked. She bastes
the corners of four handkerchiefs to-
gether, making one piece, which
when put in the hoop, brings the
corners into the centre of the open
area intended for working. The
same method may be followed when
embroidering napkins.

Has Done Good Work Ontario Temperance Act A Great Benefit to Province

THE Ontario Temperance Act has reduced
crime by over one-third and drunkenness in
public has practically disappeared.

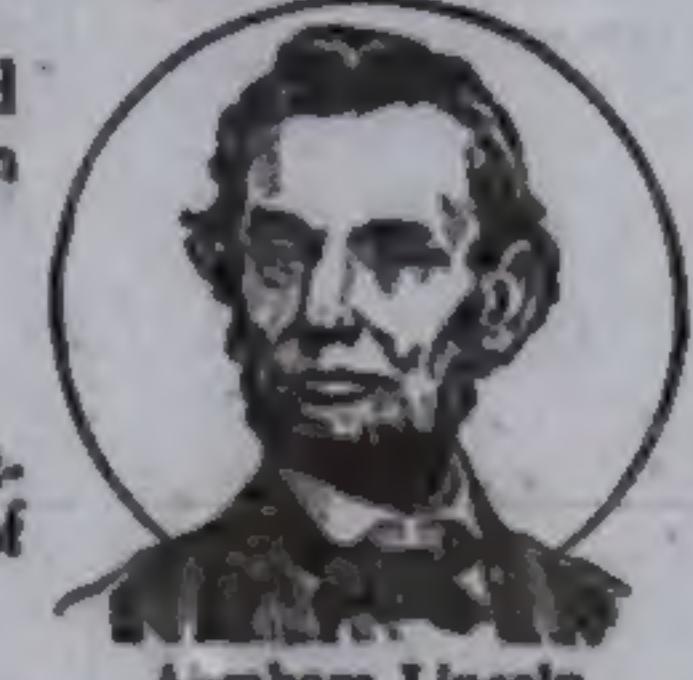

Alcoholic insanity has disappeared.

Gold cures and alcoholic institutes for treat-
ing alcoholism have been closed for lack of
patients.

Ontario has been saved an annual drink bill of
\$36,000,000, enough to pay our share of interest
on the War Debt.

Many victims of alcohol three years ago, thank
to-day for the Ontario Temperance Act.

To repeal the Ontario Temperance Act would be a calamity. The
amendments would make it practically worthless. To every ques-

All patriotic citizens of Grimsby and vicinity are invited to meet in the Council Chamber on Friday evening at 8 o'clock to organize for the Victory Loan Campaign. If you have no money to invest you should give this question your moral support. Major J. A. Gairdner the Organizer for the County will be present and address the gathering.

The prospects for cheaper clothing are not at all bright. Canadian Woolens and cottons are still being shipped to Europe and until this condition reversed, price will be high. However some stores are selling goods at much higher prices than others. Farmers sell their merchandise at the most reasonable prices. They buy and sell for cash, and are satisfied with a smaller profit. We would like you to call and look over our values. The better judge you are, the surer we are to sell you. We make sales to your order. Every one we sell tries on and satisfaction guaranteed. Always at your service. Farrar Clothing Manufacturers, 8 Market Square. We give premium tickets.

FOR SALE—Solid oak dining room furniture, table, chairs, sideboard and cabinet, machine oak roll top desk, bed room rats, small tables, three burner oil stove, oven and tubs and Gen jars.—Mrs. Ross, Mountain St. Grimsby. From 15 to 40 in the mornings.

FOR SALE—Good windfall Spy and Baldwin apples, 25 lbs large basket, delivered. April basket. Wyandotte cockerels from W. H. Fisher's best trapnested stock, also Shepard strain Appona cockerels. Shingle and Ross. Phone 212, S. Morrison, Maple Ave., GRIMSBY.

Our highly respected townman Mr. Edward Mitchell suffered a severe accident on Wednesday last that has confined him to his bed ever since. He was spending the day on Mr. Mitchell's farm and about noon went down into Hunter's bush to gather some nuts. He did not return to the house until three o'clock and he was found lying at the foot of a stone pile in a semi-conscious condition. It is reported that while getting over the fence he fell and struck his head on the stones. He is ill in a very precarious condition.

On another page of this paper will be found a large advertisement giving the dates and places of the meetings of Mr. Theo. Marshall for the next ten days. Look the advertisement up and attend any or all of the meetings that are in your neighborhood.

ATTENTION—Women of Grimsby—A meeting will be held in the Council Chambers on Thursday evening October 10th at 8 o'clock for all women over twenty-one (21) years. A show ballot will be taken and good programs given. Come and learn how to vote. Remember the date.

All GRIMSBY men who are mechanics and are now working out of town are asked to communicate with Mr. J. W. Jameson of the Canadian Stoves Limited immediately. There is plenty of work at the new factory for GRIMSBY men at good wages and union hours.

The meeting in Moore's Theatre on Tuesday night in the interests of Mr. Marshall, M.P.P., was well attended by the electors of the town and they heard some mighty fine speaking from Mr. Carpenter and Mr. Rossiter. Mr. Marshall also spoke. Major H. L. Roberts acted as chairman.

Work is going ahead rapidly at the Mounting Shop of the Canadian Stoves, Limited, and it is expected that a heat will be taken off this week. The Stove Co. in order to help the Standard Electric out of its dilemma over castings for iron have opened this part of the plant up before the by-law is voted on.

The Grimsby Horticultural Society are giving to each member a choice posy. They are now at the office of the Secretary. There are three varieties—the Duchess De Nemours (white), M. Leonie Calot (pink) and Berthe (red). The members are requested to call and get their bouquets which will early will have their choice of variety.

IN MEMORIAM

In loving memory of our dear Maurice Sharp, who was killed in Regina Trench, Somme, Oct. 18th, 1916, just three years ago today. When last we saw his smiling face he looked so strong and brave.

We little thought how soon he would be laid in a soldier's grave.

Not now but in the coming years it may be in the Better Land. Will read the meaning of our tears and then sometime we'll understand. From Father, Mother, Brother and Sister.

COWELL—In loving memory of our Mother, who departed this life October 8th, 1918.

We cannot cheap your hand dear mother. Your face we cannot see but by this little token show. We still remember thee. We sleep but not forever. There will be a glorious dawn. We shall meet to part no more. On the Resurrection Morn.

—Only missed by her daughter Mary.

SOKE JEWELER OF CARS

As an automobile salesman Frank E. Rose of the GRIMSBY Garage is in a bind by himself. Last Thursday he sold a new Standard Four to Mrs. Helen Miller. On Saturday to look the car back and add the body "kit" in its place then he turned around fifteen minutes after work and sold the "Four" to Mr. W. Cook, taking in on the deal a new Ford Sedan.

In the afternoon he went to Mississauga in the Sedan to bring back another Standard Six, but instead came home in the street car. He couldn't get another "Sedan" till this week but met a man on the street up there and sold him the Ford.

In between his rush on Saturday he also found time to sell a new Hercules tractor to Mr. A. Wyman, of North GRIMSBY.

GAINED RECENTLY

An order was made by the appellate division directing that W. M. McClellan should share, under the "regular" Rollin act, in the distribution of the monies in the hands of the sheriff of Lincoln, vs Crain, of Danville. Mr. McClellan had been retained for Crain for some time during a period over which much litigation was involved and a bill of costs amounting to \$1,000 had been taxed by the courts as between defendant and client. Mr. McClellan claimed to be entitled to share with the other creditors of the Crain estate, which is now in the hands of the sheriff of Lincoln. His claim was contested by the liquidator, who appealed from the judgment of the county court of Lincoln, which also favored Mr. McClellan.

LETTER OF THANKS

71 King St. West, Toronto
October 4th, 1919.

Miss G. C. Councill, Grimsby, Ont.
Dear Miss Councill—Please thank the members of the Grimsby Hospital Ladies Club most warmly for the knitting Machine, which has arrived safely. We are most grateful for it and will have it put to use almost immediately.

Will you say to all the mothers that supplies are badly needed in all the hospitals between London and Ottawa. Perhaps some one may have something on hand to help us at this time.

Wash Cloths, P. P. Bags, Game Bandanas, Bed pan covers, Hot Water Bottle covers, Pin cushion, JACKETS, Towels, Sheets, Pillow Cases, anything of the kind that he has no regular outlet overseas for the war in the hospitals is very badly needed now.

With kind messages and so many thanks, believe me, sincerely yours,
Gerrard Van Koughout,
Mrs. Arthur Van Koughout.

GRIMSBY NEWS

There was very little business for the council to transact at its regular meeting last night except the passing of accounts which totalled \$2,392.22 of which the board of education's portion amounted to \$2,238.

The amount of \$6, the sum to the Ontario Hydro Radial association, was ordered forwarded. Trunks were required for the moving of the fire apparatus house power in the town hall, and the mover was left for the superintendent of works to carry out. Chairman Roalfe was of the opinion that lack of interest in securing results for the band was having a detrimental effect on the organization and asked for more cooperation along these lines.

At the monthly meeting of the Board of Education on Friday night the auditor was put back to a balance of \$1.39, at the high rate only. Repeated requests for changes are only made after careful investigation of the situation as it affects the township pupils. Principal J. R. was requested to furnish the survey office with a weekly list of absences, specifying those staying away without just cause. Bills and accounts totalling \$1,750 we gone through and ordered paid.

Obituary

JOHN BINFIELD BRANT

Citizens of Smithville and District were grieved to learn on Monday morning, September 23rd the sad intelligence that Mr. John B. Brant had passed away somewhat suddenly from a complication of ailments, the prime factor of which was a weakened heart following a severe chill received while in Dunnville on the previous Monday he and his son John, having spent the day fishing at that point. He will be sadly missed by a host of friends throughout the Niagara Peninsula.

John Binfield Brant was born in the house in which he died in the year 1855 and had been an almost continuous resident of the village during all the sixty-four years of his life, with the exception of two years spent on a farm with his father near the town of Dunnville. For sometime he was engaged in the harnessing business with William Morgan, but the greater portion of his life was spent as postmaster of the village of Smithville, in which position he held office for thirty-five consecutive years.

When twenty-one years of age he took an extended trip through Europe, visiting with every country with the exception of Russia. It was accompanied on this splendid trip by William Foster, a celebrated artist of Toronto. They engaged in a 200-mile camp through the Alps and visited Italy, France, Belgium and all countries worthy of note and it was his delight to entertain his numerous friends by stories of his travel.

On September 8th, 1886, he was united in marriage to Miss Matilda Ann Fullerton, of Toronto, who predeceased him February 26th, 1900. On December 4th, 1899, he was united in marriage to Miss Ada Vida Kennedy, daughter of the late Mr. R. Kennedy, his second wife predeceasing him April 15th, 1912. By his first marriage he is survived by three sons and one daughter, Mrs. F. D. Roxburgh, of Edmonton, Alta.; and G. G. Brant, Smithville; G. L. Brant, Niagara Falls; and Wesley H. of Cypress River, Man. By his second marriage he is survived by one son and one daughter, Mrs. Jas Copeland of Toronto and John Kennedy Brant, at home, recently returned from four years' active service overseas; Kenneth Bruce, an other son, died in infancy. Deceased is also survived by one sister, Mrs. M. Bridgeman, of South Vancouver, B. C.

The late J. B. Brant was a man who loved travel and had visited a

Farmers Buy *Ford* Trucks Because

they save labor, save time, save money.

The Ford Truck is the most general-purpose implement on the farm.

The farmer can get his breakfast at home, take his produce to market, and be home again for dinner.

He can command the highest prices for his vegetables and fruit because he gets them to market while the dew is still on them.

He can take his hogs, sheep and other stock to market, as well as haul roots, potatoes and apples from the field.

The Ford Truck brings the city to the farmer's door.

It solves the problem of the shortage of labor.

Comradeship

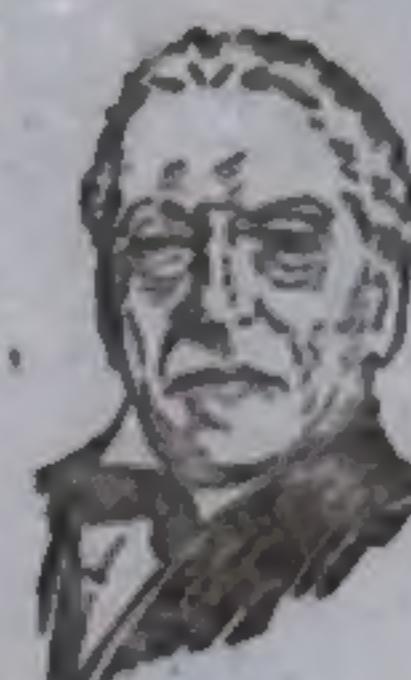

ADMIRAL Sir David Beatty, when speaking at Leicester a few days ago, said:

"We have been through four and a half years of a great struggle. We have all learned something—the true value of comradeship. Comradeship has enabled us to win the war."

Realizing the significance and truth of this statement the Citizens' Liberty League appeals to the people of this Province to develop the spirit of comradeship, mutual forbearance, toleration and sympathy. Let us be fair-minded, less rigid, more reasonable, and more willing to give and take.

Admiral Sir David Beatty

Samuel Gompers

The workingmen of Ontario appeal for better beer—non-intoxicating beer—beer containing 2.5% alcohol by weight — THE BEER OF THE BALLOT.

Samuel Gompers, the world's greatest labor leader, stated the workingman's position clearly when he said:

"The normal men, the men of Labor who work eight hours a day and no more, the workingmen who earn decent pay, the workingmen who have comparatively comfortable homes, they do not want the artificial spirit. The men of normal spirit finds comfort in pleasant surroundings; he does not need, and, as a rule, does not partake of intoxicating drink; he shuns the effects of intoxicants. What we now ask is that the men of Labor, the masses of our people, shall have the opportunity to drink a glass of beer of not more than 2½% by weight of alcohol in that

beer, and I am told you cannot drink enough of that character of beer to get drunk even if you tried."

Scientific tests, practical experiments and thorough research prove that beer of even greater strength than 2.5% of alcohol by weight, is absolutely non-intoxicating. (The results of these tests have been filed with the United States Circuit Court of Appeals.)

As no harmful results can possibly come from drinking beer of this quality—is there any fair or logical reason why the working men should not have the same palatable beer for which they are asking — THE BEER OF THE BALLOT?

Support the working men and the Citizens' Liberty League in the endeavor to obtain a fair, just and reasonable compromise on the present too drastic prohibitory legislation.

Do you remember those ages, when your character was being formed — how you followed examples, did what other people did — your senior years at school — your start in business? Recall them if you can. You gained a knowledge you will find useful when your own boy starts out.

Give him the right start. Teach him the value of personal appearance and self respect. Tell him how confidence may be gained merely from a clean shave—or, better still, show him—and show him in a practical way.

Give him a

GILLETTE Safety Razor

and make his morning shave come easy. The old time pulling and scraping is a thing of the past. The haphazard element is gone. There is no need for your boy to know anything but the ease and comfort of the Gillette shave. It is the razor of his time—that to which he is entitled—nothing more, nothing less.

Sold at most stores catering to the needs of men.

THE ABYSMAL BRUTE(Continued from last week)
"But I don't understand all the gory details."

"I haven't worked them out yet. You might help me. In the first place I'm going to double cross Stubener and the betting syndicate. It will be part of the joke. I am going to put Canaan out in the first round. For the first time I shall be really angry when I fight. Poor Tom Canaan, who's as crooked as the rest, will be the chief sacrifice."

"You see, I intend to make a speech in the ring. It's unusual, but it will be a success, for I am going to tell the audience all the inside workings of the game. It's a good game too, but they're running it on business principles, and that's what spoils it. But there, I'm giving the speech to you instead of at the ring."

"I wish I could be there to hear," she said.

He looked at her and debated.

"I'd like to have you. But it's sure to be a rough time. There is no telling what may happen when I start my program. But I'll come straight to you as soon as it's over. And it will be the last appearance of young Glendon in the ring—in any ring."

"But, dear, you've never made a speech in your life," she objected.

"He shook his head positively.

"I'm Irish," he announced, "and what Irishman was there who couldn't speak?"

He paused to laugh merrily.

"Stubener thinks I'm crazy. Says a man can't train on matrimony. A lot he knows about matrimony, or me, or you, or anything except real estate and fixed rights. But I'll show him just right, and poor Tom too. I really had sorry for Tom."

"My dear abysmal brute is going to behave most abysmally and brutally, I fear," she murmured.

He laughed.

"You're going to make a noble attempt at it. Positively my last appearance, you know. And then it will be you, YOU. But if you don't want that last appearance say the word."

"Of course I want it, big man. I want my Big Ma, for himself, and to be himself he must be himself. If you want this I want it for you and for myself too. Suppose I said I wanted to go on the stage or to the south seas or the north pole?"

He answered slowly, almost seriously:

"Then I'd say go ahead. Because you are you and must be yourself and do whatever you want. I love you because you are you."

"And we're both a silly pair of devils," she said when his embrace had relaxed.

"Isn't it great?" he cried.

He stood up, measured the sea with his eye and extended his hand out over the big woods that covered the curved, purple range.

"We've got to sleep out there somewhere. It's thirty miles to the nearest town."

* * * * *

Who of all the sports present will ever forget the memorable night at the Golden Gate arena, where young Glendon put Tom Canaan to sleep and an even greater one than Tom Canaan, kept the great audience on the ragged edge of riot for an hour, caused the subsequent graft investigation of the supervisors and the indictments of the contractors and the building commissioners and pretty generally disrupted the whole fight game?

It was a complete surprise. Not even Stubener had the slightest apprehension of what was coming. It was true that his man had been subordinated after the Nat Powers affair and had run off and got married. But all that was over.

Young Pat had done the unexpected—overlooked the inevitable crookedness of the ring and come back into it again.

The Golden Gate arena was now. This was its first fight, and it was the biggest building of the kind San Francisco had ever erected. It seated 25,000, and every seat was occupied.

Sports had traveled from all over the world to be present, and they had paid \$20 for their ringside seats. The cheapest seat in the house had sold for \$5.

The old familiar roar of applause went up when Billy Morgan, the veteran announcer, climbed through the ropes. Up went his gray head.

As he was about to speak, a heavy crash came from a near section where several tiers of low seats had collapsed. The crowd broke into loud laughter and shouted jocular regrets and advice to the victims, some of whom had been hurt.

The crash of the seats and the billowing smoke caused the captain of police in charge to look at one of his lieutenants and lift his brows to token that they would have their hands full and a lively night.

One by one, welcomed by unanimous applause, seven doughy old ring heroes climbed through the ropes to be introduced. They were all ex-heavyweight champions of the world.

Billy Morgan accompanied each presentation to the applause with an appropriate pun. One was "Old Reliable"; another was "The squarest two-fisted fighter the ring ever saw."

And of others: "The hero of a hundred battles and never three was and never said down"; "the greatest of the old guard"; "the only one who ever tame back"; "the greatest warrior of them all"; and "the hardest nut in the ring to crack."

All this took time. A speech was dictated on from each of them and they mumbled and muttered in reply with proud smiles and wrinkled shamplings.

The loudest speech was from "Old Reliable" and lasted nearly a minute. Then they had to be photographed. The ring filled up with admiration with

champion wrestlers, famous contestants and veteran checkers and referee details.

Lightweights and middleweights swarmed. Everybody seemed to be challenging everybody.

Nat Powers was there demanding a return match from young Glendon, and so were all the other plain-jackets whom Glendon had outfitted.

Also they all challenged Jim Hart, Ford, who, in turn, had to make his statement, which was to the effect that he would award the next fight to the winner of the one that was about to take place. The audience immediately proceeded to name the winner, half of it wildly crying "Glendon" and the other half "Powers."

In the middle of the pandemonium another tier of seats went down, and half a dozen rows were up between cheated ticket holders and the steward who had been reaping a fat harvest.

The captain dispatched a message to headquarters for additional police details.

The crowd was feeling good. When Canaan and Glendon made their ring entrances the arena resembled a national political convention. Each was cheered for a solid five minutes.

The ring was now cleared. Glendon sat in his corner surrounded by his seconds. As usual Stubener was at his side.

Canaan was introduced first, and after he had scraped and dusted his hand he was compelled to respond to the cries for a speech. He stammered and halted, but managed to grind out several ideas.

"I'm proud to be here tonight," he said, and found space to capture another thought while the applause was thundering. "I've fought square. I've fought square all my life. Nobody can deny that. And I'm going to do my best tonight."

There were loud cries of "That's right, Tom!" "We know that!" "Good boy, Tom!" "You're the boy to teach the lesson home!"

CHAPTER XL

THEN came Glendon's turn. From him likewise a speech was demanded, though for principals to give speeches was an unprecedented thing in the prize ring. Billy Morgan held up his hand for silence, and in a clear, powerful voice Glendon began.

"Everybody has told you they were proud to be here tonight," he said. "I am not."

The audience was startled, and he paused long enough to let it sink home.

"I am not proud of my company. You wanted a speech. I'll give you a real one. This is my last fight. After tonight I leave the ring for good. Why? I have already told you. I don't like my company. The prize ring is so crooked that no man expected in it can hide behind a curtain. It is rotten to the core, from the little professional clubs right up to this affair tonight."

The low rumble of consternation that had been rising at this point burst into a roar. There were loud boos and hisses, and many began crying: "Go on with the fight!" "We want the fight!" "Why don't you fight?"

Glendon, waiting, noted that the principal dictators near the ring were promoters and managers and fighters. In vain did he strive to make himself heard.

The audience was divided, half crying out, "Fight!" and the other half "Speech, speech!"

The minutes of hopeless indecision prevailed. Stubener, the referee, the

"Only a few words," abhorred the promoter in Glendon's ear. "But you're giving a lecture."

"There's nothing in the rules against lectures," Glendon answered. "And now you fellows get out of the ring, or I'll throw ya out."

The promoter, suspicious and suspicious, was dragged over the ropes by his coat collar.

He was a large man, but so easily scared, in turn, had to make his statement, which was to the effect that he would award the next fight to the winner of the one that was about to take place.

The cry for a speech increased in volume. Stubener and the owner beat Glendon down to the ground, held him to be bound, whereas those who cheered for the fight redoubled their efforts.

Two or three tiers of seats crashed down, and numbers who had been in their places added to the tumult by making a concerted rush to squeeze in on the still intact seats, while those behind, blocked from sight of the ring, yelled and raved for them to sit down.

Glendon walked to the ropes and spoke to the police captain. He was compelled to bend over and shout in his ear.

"If I don't give this speech," he said, "this crowd will wreck the place. If they break loose you can never hold them. You know that. Now, you're not going to help. You keep the ring clear and I'll silence the crowd."

He went back to the center of the ring and again held up his hands.

"You want that speech?" he shouted in a tremendous voice.

Handfuls near the ring heard him and cried "Ten!"

"Then let every man who wants to hear about the aftermath meet us here."

The advice was taken, so that when he repeated it his voice penetrated further. Again and again he shouted it, and slowly, one by one, the silence pressed outward from the ring, accompanied by a muffled undertone of snorts and thuds and scuffles as the spectators were subdued by their exhaustions.

Almost had all confusion been smoothed when a stir of seats near the ring went down. This was greeted with fresh rounds of laughter, which of itself died away, so that a lone voice far back was heard distinctly as it piped:

"Ho on, Glendon! We're with you!"

Glendon had the Goliath intuitive knowledge of the psychology of the crowd. He knew that what had been a vast disorderly mob five minutes before was now tightly in hand, and so added effect to deliberately delayed.

Yet the delay was just long enough and not a second too long. For thirty seconds the silence was complete, and the effect produced was one of awe.

Then just as the faint hints of rustle came to his ears he began to speak:

"When I finish this speech," he said, "I am going to fight. I promise you it will be a real fight, one of the first real fights you have ever seen. I am going to get my man in the situation possible to this affair."

"Billy Morgan, in making his final announcement, will tell you that it is to be a forty-five round contest. Let me tell you that it will be nearer forty-five seconds."

"When I was interrupted I was telling you that the ring was rotten. It is from top to bottom. It is run on business principles, and you all know what business principles are. Enough said."

"You are the scum, every last one of you that is not making anything out of it. Why are the seats falling down tonight? Graff. Like the fight game, they were built on business principles."

He now held the audience stronger than ever and knew it.

"There are three more squeezed on two seats. I can see that everywhere. What does it mean? Graff. The stewards don't get any wages. They are supposed to graft. Business principles again. You pay. Of course you pay. How are the fight permits obtained?"

"And now let me ask you: If the men who build the tents graft, if the stewards graft, if the authorities graft, why shouldn't these higher up in the fight game graft? They do. And you pay."

"And let me tell you it is not the fault of the fighters. They don't run the game. The promoters and managers run it; they're the business men.

The fighters are only fighters. They begin honestly enough, but the managers and promoters make them give in or kick them out. There have been straight fighters. And there are now a few, but they don't earn much as a rule."

"I guess there have been straight managers. Mine is about the best of the bunch. But just as I said how much he's got cut down by real estate and apartment houses."

Here the uproar began to drown his voice.

"Let every man who wants to hear up the man alongside of him!" Glendon instructed.

Austin, like the master of a port, there was a rustling of cracks and thunks, and snorts, and the house quieted down.

"What does every fighter worth overtime insist that he always receipt square? Who are the so-called Honest Johns and Honest Michaels and all is rest? Doesn't it even strike you big they seem to be afraid of something?"

"When a man runs to you should he be in honest... yes, he should. But when a... for instance the same dope out... you swallow it down."

"But it's against the rules," protested the referee.

"The fighters of the art. There's not a man in the house against me and side species. The fighters have fought the same dope out... for him."

To be Continued.

"Everybody has told you they were proud to be here tonight."

owner of the arena, and the promoter of the fight, panted with Glendon to go on with the fight.

When he refused the referee declared that he would award the fight to Stuben or Canaan if Glendon did not fight.

"You can't do it," the latter retorted. "I'll see you in all the courts if you try that on, and I'll sue you for damages that you'll survive this crowd if you cheat it out of the fight. Besides, I'm going to fight. But before I do I'm going to finish my speech."

All this took time. A speech was dictated on from each of them and they mumbled and muttered in reply with proud smiles and wrinkled shamplings.

The loudest speech was from "Old Reliable" and lasted nearly a minute. Then they had to be photographed. The ring filled up with admiration with

Rexall Drug Store

Thursday, Friday, Saturday, October 9, 10 and 11

This ONE CENT SALE Plan was originated by the United Drug Company for the Rexall Drug Stores. The United Drug Company are the largest manufacturers and buyers of Toilet Articles, Remedies, Chocolates, Perfumes, Rubber Goods, Stationery, and Drug Sundries in the world, and this is an advertising plan pure and simple, of which they bear most of the expense. Instead of spending money in the regular way, such as Free Samples, etc., it is their desire that we place full sized packages, or articles, in your hands, giving you an opportunity to judge the real value of these goods, the cost of which they charge to advertising.

We will only be permitted to run this sale occasionally. Beware of imitations in other stores, and take advantage of this exceptional opportunity. We can not afford to charge or deliver goods during this sale. So please don't ask us to do it. These prices do not include the War Tax.

DO NOT BE MISLED ON THE REFERENDUM BALLOT--YOU CAN VOTE ANY WAY YOU LIKE

You Can Mark Your Ballot Four No's or Four Yes's or You Can Mix Your Votes up and Still Not Spoil Your Ballot -- You Must Vote Four Times.

BALLOT IS A FARCE

Do Not Let Anyone Tell You That You Must Mark Your Ballot Four Times the One Way to Make it Good, For Such is Not the Case.

There has been considerable misunderstanding in this riding and other ridings throughout Ontario over the Referendum ballot ever since it first appeared and right to this day there are hundreds of people who do not understand the four questions and how they should mark their ballot.

The ballot we will admit is in itself a farce and a joke but nevertheless it is the case we have to vote on.

Many people are under the impression that unless they mark their ballot "Four No's" or "Four Yes's" that it will be spoiled. This is not the case. According to the act you must mark your ballot four times, but you do not have to mark it "Four No's" or "Four Yes's". You can mark one yes and three no's--two yes's and two no's--three yes and one no, or you can mark four yes or four no. You must mark it four times or it will be spoiled, but you can mix your markings up anyway you please and your ballot will be perfectly good.

Do not let anyone tell you that you must mark it one way or the other four times to make it good, for such is not the case.

There are many people who want beer and light wines and the repeal of the O. T. A. but not the return to the old bar system, these people can mark their ballot two yes's and two no's in the allotted spaces and their ballot is perfectly good.

Do not be misled by statements from either prohibitionists or anti-prohibitionists, if you have to mark your ballot "Four yes" or "Four no" to make it good for you do not have to do so.

Of course if you want the O. T. A. repealed, no matter how you stand on the other three questions you must mark the first question "yes" To repeal the Act you must mark yes on the first question, then you can mark the other three to suit yourself.

The ballot will be fully explained and dissected for the benefit of the uninformed in Moore's Theatre on Friday night at a meeting of the Citizens' Liberty League. There will be competent men there who will explain the whole referendum act and plain the whole referendum act and the ballot to you.

"THREE GREEN EYES"
This is Unusual Title of New World Picture, With All-Star Cast.

"Three Green Eyes" is the unusual title of the unusual new World Picture, which with an all-star cast will be seen on Monday, October 14th at Moore's Theatre. It is a real all-star cast that is presenting this picture—Carrie Blackwell, Montague Love, Evelyn Greeley, Jane Elvidge and Johnny Miles. In addition there are a number of prominent film favorites who assist the stars in the rendition of the production. From every angle, "Three Green Eyes" is distinctly all-star—in story, in class of production, in the stars who appear in the cast, and in the interest and entertainment value of the picture.

"Three Green Eyes" is a picture you should see by all means because it will interest you and entertain you and make you might glad to be among those present at the time it is flashed on the screen.

TO PREVENT SHUTTING
Before sowing your fall grain, it should be treated with Parko's Sustaine. This preparation is a solution of formaldehyde gas in water and it will destroy the seed without injuring the seed. Supplied in all quantities with full directions for use. Parko & F. Co. Limited, Market Square, Hamilton.

J. E. MASTERS LIBERAL CANDIDATE

St. Catharines, October 2.—At the Liberal Convention here this afternoon J. E. Masters, Niagara-on-the-lake, warden of Lincoln county, was chosen the Liberal candidate for the riding of St. Catharines. In a three-cornered fight with Frederick R. Farnell, M. L. A., Conservative, and Frank Greenlaw, Independent Labor party, Mr. Masters is considered to have a good chance to win even in this Tory hive. Mr. Greenlaw is also a Conservative and will no doubt take many votes from Farnell.

AUCTION SALE DATES

October 11th, Saturday — On this date, at the residence of Mrs. Thomas Wood, Nixon Street, Beamsville, I will offer a large quantity of household furniture and utensils. Terms \$5 and under cash; terms arranged at time of sale for larger amounts. See Mills Jas. A. Livingston, Auctioneer.

October 21—Wednesday—On this date, at one o'clock in the afternoon I will offer all the farm stock and implements of Mr. A. H. Hurst on his farm, known as the McGregor Farm, one mile East of Beamsville, on the Mountain, for sale by public auction. Everything will be sold without reserve as Mr. Hurst is giving up farming. Terms \$10 and under, cash; eleven months; six per cent off over \$10. Jas. A. Livingston, Auctioneer.

They still continue to return to Canada after their service overseas; and to those late arrivals we extend a welcome as hearty and appreciative as we have extended to any of those brave lads who preceded them in the repatriation scheme of the Dominion.

BROWNSLEE—Capt. Basil E. C. A. D. C., the eldest son of Dr. W. A. and Mrs. Brownslee, North GRIMSBY, accompanied by Mrs. Brownslee, arrived in Canada, and GRIMSBY, but a few days ago, after a long overseas service, all of which was spent in the depots of the Canadian Forces, in England. Capt. Brownslee was appointed to the Canadian Army Dental Corps early in 1916 and after several months service in Canada was ordered over-

seas for duty, and he proceeded to the Old Land in early 1917. Unfortunately Capt. Brownslee was not allowed to proceed further than England, and he has been continuously on duty there until a short time ago, when he returned to Canada; after being demobilized across the water. During Capt. Brownslee's sojourn in England, Mrs. Brownslee went over to be with him. This is the second of Dr. and Mrs. Brownslee's sons to have returned from serving their country, Corp. Horner M. the second, of a Military Medal, and the youngest son, having returned to his home after a long and strenuous line service, some months ago.

122 Poll Clerks and 122 Constables Needed to Register the Vote and Look After Polling Places—105 People at Work all told.

GREAT AMOUNT OF WORK

Over 200 Miles of Road Travelled to Post up Proclamations—Nearly 25,000 Ballots Printed to Handle Both Votes—W. D. Fairbrother a Busy Man.

These are busy days for W. D. Fairbrother of Beamsville, Returning Officer for West Lincoln in the forthcoming election and Referendum vote.

Last week he had a staff of men bus in different parts of the riding posting proclamations for both the election and the referendum. Over 200 miles of roads were travelled in order to get the bills posted at the various polling places, and in other conspicuous spots.

The Referendum ballots, 11,500 of them were finished at the INDEPENDENT office last week and as soon as Nomination is over there will be another 12,000 to print. These ballots will then all have to be counted and parcelled out and delivered before election day to the different deputy returning officers.

There are sixty-one polling booths in the constituency and this means there are a like number of R. O.'s in each booth there will be two poll clerks and two constables, making a total of 122 clerks and 122 constables on duty. All told it will take 365 people to handle the vote.

The D. R. O.'s appointed by Mr. Fairbrother are as follows:—

Leith

G. D. Willis, Richard Powell, Marvin Rosenberg, Ezra Henshaw, Joseph Bachus, Andrew Gregory, John C. Lamont, Elias J. Fisher, Marie Pratt.

Clio Township

Adam Harkness, Jas. L. Merritt, Norman Lamond, Frank Houser, Wm. Douglass, Geo. Oliver, Arthur H. Davies.

Beamsville Village

Tom. M. Bartlett, Jas. H. Walker, Mark Pringleton, G. J. Wilson.

Salemoro Township

Hamilton H. Hitchcock, Wm. H. Swartz, Clark Lane, James Hill, Jas. E. Simpson, C. N. Clark, Arthur Swaine, Fred Smith.

Calder Township

M. A. Wardell, Bella Wain, Robert Bell, John A. McDonald, John M. Lyburner.

Pelham Township

Abram Eggle, Newton Beachwood, James Wilson, William Julian, Edward Clemons, Harry Cunningham, Norris Leedy, F. R. Morgan, R. B. Fitzgerald, A. M. Glazier, David Pinfoot.

Nominations will be held in Beamsville Town Hall, on Monday, October 14th, from the hours of 12 o'clock until 2 o'clock.

In last week's INDEPENDENT appeared the polling places for GRIMSBY, North GRIMSBY, South GRIMSBY, Beamsville and Clio. This week we print the polling places for Galashan, Pelham, Louth and Calder, they are as follows:—

INCREASED SERVICE**CANADIAN NATIONAL RAILWAYS**

Every Day in the Week
Transcontinental Train

Toronto-Winnipeg-Vancouver-Victoria
in Effect October 14th

A daily Transcontinental service between Toronto—Winnipeg—Vancouver—Victoria, is the principal feature announced in the Canadian National Railways Fall and Winter time table.

This train will leave Toronto 8:15 a.m. daily and will be equipped with Pullman cars, dining car, observation car, etc.

For convenience of passengers, there will also be a compartment-observation library car.

A parlor car will be attached, for the convenience of passengers, while traveling through the Rockies, so they may enjoy, in the utmost comfort, the magnificent scenery for which the Canadian National route is famous.

Further particulars can be obtained from Passenger Officers of Canada's National System of Railways.

Letters To The Editor

THE H. C. L. AND THIEVING

Grimbsy Independent.

Mr. Editor:

Well, I was thinking a small short letter from your once big Charley Chaplin might be a sort of cheap way of letting the people know he is like a rooster in his own back yard and that he still lives and can be heard crowing every day at 120, 7 Market Street in the thriving city of Hamilton. He now has three names—Tufford, Swartz, Swartzberg and the tough has been so completely annihilated from the annals of history that he has almost forgotten his own name and for this reason we will give him the name "Charley Chaplin". However, Mr. Editor recollections of ten past, present and the future are still in his memory, as he is now nearing the seventy year limit and among the class of Gray Beards who have enjoyed a long life of bitter and sweet days of pleasure and sorrows, ups and downs; Charley is still alive and wandering at the lone drawn out differences of men and their opinions. Newspapers for instance are full of common things which are taking place daily. Crimes of every kind are in every country as common as the Cost of Living prices, on the Hamilton Market. Why, Mr. Editor, should a man blush or fear to own his name because he is a farmer asking an enormous price for his produce when you go to the first corner store and get a common shirt worth fifty cents for two dollars, a pair of shoes worth \$2.00 for \$4.00; and a looking glass called a mirror worth 10 cents, now for \$1.00, I would be almost ashamed to take a step in the thing for fear I would be ashamed of myself and almost think I committed highway robbery. Farmer or merchant, there should be no difference in the punishment meted out for an auto thief; whether it was the judges auto or the one belonging to the poor lost Charley Rose. Law should be based on good common sense and justice handed down on the same plan.

If the sugar in fruit season can be monopolized by the sugar thief, why have I not the same right to steal the fruit from the farm, than steal the sugar to get over on the fruit dealer, its only common sense, the people who work and toil must live. A Food Controller, so called going up and down the road like your lost boy, tell me where and how the benefit is derived outside paying the traveling expenses for this generous position. A man may whistle and a dog may bark but the poor boy has to go and chase the hog out of the corn—it is said there soon will be an election and it shall come to pass that the common people will use common thought and vote on common sense and principles. Why not?

What about the grape crop in Lincoln County, has the grower the right to make his price, either for that county or any other county one hundred dollars a ton. Has he given the general public the information thoroughly, that we may understand. Why has the merchant the right to ask twenty cents per pound for sugar, we would like to know and why? Where is the Food Controller.

EIGHTY-FIRST BATT. MEN WILL TAKE A REFERENDUM.

The St. Catharines and District 5th Battalion Association met Wednesday night in the G.W.V.A. club rooms St. Catharines and decided that a referendum should be taken by mail of all members of the batta. as to the disposition of the battalion's trust fund, which amounts to \$3,500. Four questions were recommended the first for suitable memorials to fallen comrades in St. Georges Church, St. Catharines and St. George's Church, Toronto, the remainder to be divided pro rata among the members of the installation who have returned and the next of kin of those who fell in action.

The second... is to provide similar memorials... a remainder to be invested at a higher rate of interest and used for a disease fund, under the direction of a committee of eleven to be chosen by the members.

The third proposal provides for similar memorials, the remainder to be invested to form a nucleus of a benefit fund, to be augmented by assessments to provide sick relief and death and funeral benefits. This also under the direction of a committee of eleven.

The fourth proposal provides for the memorials, the remainder to be divided between the Toronto ex-members association and the St. Catharines and District Association on the basis of their respective strengths at the time of embarkation, for overseas, to form a regimental association fund from which distress cou. be alleviated.

The fees of the association were placed at 25 cents per month.

HOT EGG COFFEE

One-half cup well-made strong coffee, one tablespoon cream, one well-beaten egg sugar to taste, about two teaspoons a trace of salt, two drops of vanilla. Break the egg into a bowl, beat it till frothy and pour in the coffee, which should be boiling hot and mixed with the other ingredients. When well and sure at once. This makes a generous cup. If desired the amount of cream may be slightly reduced or increased.

The Navy League of Canada Its Vital Work for Canada

THE Navy League of Canada fosters the splendid spirit that made the British the greatest of maritime nations. It organizes loyal Canadians so that practical work may be accomplished for the development of Canada's direct interests at sea.

The human side of Canada's Merchant Marine is the League's especial interest—training Canadian boys to become the sturdy type of British manhood that won its laurels again and again in the great war—relieving distress among victims of the submarine warfare—and giving the sailor ashore an alternative place for rest and recreation to the places of doubtful entertainment that abound in port.

Why the \$500,000 is needed

On Nelson Day, October 21st, starts a 3-day campaign throughout the Dominion to raise \$500,000 necessary to finance the coming year's work of the Navy League of Canada. Help the work by giving liberally. As a nation whose expanding trade will depend on exports, we must educate our boys to the highest type of seamanship so that they will be equipped to man our ships to carry our exports to foreign markets.

You will do your part in this work by contributing liberally to the support of the Boy's Navy Brigades, the organizations by which the Navy League trains boys for our merchant marine.

Every dollar subscribed will be used to further the work of the Navy League in Canada—the work in which you are personally interested as a patriotic citizen. Help by giving.

District Summary

News of the District Culled From Our Exchanges

We have Victory, but it is not paid for yet.

Next Monday, October 13th is Nomination Day.

Caledon Fair, Thursday and Friday of this week.

650 men are employed in Welland's 18 leading industries.

Five branches of the G. T. A. were on the docket in one day in St. Catharines.

Up to date there are four candidates seeking election in Welland County.

He has one leg! You have two hands to help him—hands to hold Victory Bonds.

A grand reception, banquet and presentation of medals to South GRIMSBY'S returned men was held in Smithville on Wednesday last.

Owing to the high rate of exchange on New York the Post Office Department has issued instructions that no further Postal Notes will be sold for remittance to the United States.

Welland, Sept. 29.—Mr. Barrick of Wellfleet, was this afternoon unanimously chosen as the U. F. O. candidate for the riding of Welland in place of E. McIntyre who retired because of inability to qualify.

A fine of \$500 was imposed yesterday afternoon upon Harry D. Symmes, formerly manager of the Port Dalhousie, St. Catharines and Thorold Street Railway and formerly a resident of St. Catharines. Mr. Symmes, who now resides at Niagara Falls, pleaded guilty last week before the Magistrate in that city to a charge of neglecting to make out his income tax return. Judgment was reserved until yesterday. He still has to make out his return and pay the federal tax.

A Dominion Charter has been granted to the Smith Doll and Toy Co. Limited of Dunnville. The company which is capitalized at \$100,000 will manufacture and deal in dolls and toys.

The strike of the steel workers in the United States is being felt in this district by the Canning Companies on account of the shortage of tin plate for making cans. St. Catharines and Jordan plants of the Dominion Canners have been closed.

The Lincoln County milk producers intend to adopt the price set by Mr. O'Connor of \$3.10 an eight gallon can delivered at the dairy. This price holds good until the first of December, when a revision will be made.

Martin Johnson of South GRIMSBY, reported to the Hamilton police on Monday that he had lost \$150 while on the GRIMSBY car. It is thought that his pocket was picked as he stepped off the radial car at the Terminal Station.

King Albert and Queen Elizabeth of Belgium arrived Thursday in the United States. They are the first reigning monarchs of an important European state to visit this continent. King Albert visits the States some years before he ascended the throne. There is a possible chance that the Royal couple may find a day or so in which to visit Canada.

Sun time will once more operate in Canada immediately after 2 o'clock on the morning of October 27th. At that hour all over Canada trains will come to a stand for an hour. Clocks will be turned back an hour so as to switch industry and all the varied manifestations of life in the Dominion back to the old federal time.

Welland Press—Miss Martha Matilda Rink was sentenced by Judge Livingstone, yesterday afternoon to three years in the penitentiary commencing from the date of sentence, in connection with the arson case, for which J. Young and C. Wills were recently sentenced. This sentence is the same as that given Mr. Young.

A very daring robbery was pulled off early Thursday morning at Niagara Falls (Ont.). At least two men who evidently knew their way about made entrance to the building of the Mayhew hat factory near the M. C. R. station and carried off between \$3,000 and \$4,000 worth of finished and partly finished hats. They evidently used a car to make the getaway, for it would make a good load.

A very pretty wedding took place at the home of Mr. and Mrs. J. J. Thomas, Glenview, Stoney Creek, on Wednesday afternoon October 1, when their eldest daughter, Cora, was united in marriage to Mr. Herbert L. Green, son of Mr. and Mrs. J. W. Green of Stoney Creek. Rev. A. D. Robb, recently chaplain of the 129th Wentworth battalion, in which the groom served overseas, officiated at the ceremony.

St. Catharines, Sept. 29.—Authorities here are puzzled over the case of an unknown man, a Pole, supposed to be dying at the hospital. He was found unconscious with his head smashed in on Welland Avenue and was taken to the hospital by three strange men in an auto, who didn't leave their names. It is not known if the unconscious man was beaten and robbed or if he fell off a street car while on his way to work. Many foreigners here and throughout this district have been assaulted and robbed and quite a number killed outright. The injured man had a dollar in his pocket when found.

To PREVENT UNEMPLOYMENT

Next year will be well advanced before Canada's main expenditures for war, can be completed. Every dollar that can be raised for the Victory Loan 1919 will be required.

Although hostilities ceased in 1918 the war expenses went on.

This is just as much a war year as last year was, as far as the money concerned. Present liabilities incurred by the war and involving vast sums of money have to be cared for. The simplest and most practicable manner in which this can be done is for the people to provide the money themselves.

The Victory Loan 1919 is entitled to just as much consideration as was given to its predecessor. It is up to every loyal Canadian to do his utmost to make the new loan an overwhelming success. The continuance of the prosperity of the nation is wholly dependent upon it.

It was naturally to be expected that trade depression in the Dominion would have followed the termination of this war.

the last victory loan as credits to Great Britain and our Allies for grain, dairy products, fish, lumber and ships. These credits were absolutely necessary and strictly good debts. They must be continued. They are national re-investments. The debts will be paid eventually and in the meantime industrial and agricultural workers will be kept in busy and lucrative employment.

WHAT IS A CURE?

IS IT A TEMPORARY OR PERMANENT CONDITION?

Let us get down to brass tacks. Is there any such thing as a cure? You may eradicate every trace of disease from your system and be restored to your former state of health, yet you have attained a cure. Yet? Because as long as disease germs are prevalent in the universe you may be afflicted again.

Take for example a man has a terrible headache for days. It has driven him almost insane, sappling his energies and making him incapable of working. He tries doctors, takes prescriptions, and finally finds a particular medicine that makes him fit again. Immediately he says, "I'm cured."

Six months later his head begins to ache. What does he say, "Here's my old headache back again, that medicine was a fake!"—or does he say, "Another attack? we'll soon knock that out!" and commence the use of the remedy that relieved him before.

This happens in many cases of rheumatism, lameness, neuralgia, neuralgia. That is why we say "Templeton's Rheumatic Capodite" remedy these diseases. They are 99% effective by medical record.

Use T.R.C.'s whenever you have rheumatic trouble.

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition, worrying most of the time—and he said if I could not stop that, I could not get well. I heard something about Lydia E. Pinkham's Vegetable Compound and my husband wanted me to try it. I took it for a week and felt a little better. I feel like and can eat anything now without distress or nervousness."—Mrs. J. Worthline, 2342 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are as many demands on the body as ever before. Irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as did to Mrs. Worthline.

Twenty millions of National Wealth behind the Victory Loan of 1919.

Time, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as did to Mrs. Worthline.

"Breeze" (Blow My Baby Back To Me) — a Harmonium Duo.

Arthur Fields and Jack Kaufman, a new Columbia vocal combination, sing this harmonious sweetheart song. Coupled with Billy Murray's rollicking, joyful, jocular rendering of "Take Me Back to the Land of Jazz."

French Army Band Superb in Ariettes

Bizet's exquisite "Ariette Suite" must have mighty appeal to those veterans of the Marine, for they play it as if they love it. As in Bizet's opera Carmen, these melodies are strongly influenced by the composer's study of French and Spanish folk-music. On the back, "La Feria," an inspiring Spanish bell-ring march.

The Expenditure of \$610,000,000

How the last Victory Loan was spent

For Demobilization

For Trade Extension

BEFORE buying Victory Bonds again you may want to know how Canada used the money you loaned her last year.

Canada borrowed the money to carry on the war and to provide credits for Great Britain and our Allies.

CONSIDERABLY more than one-half of the Victory Loan 1918 was spent on our soldiers. This included \$312,900,000. for paying them, feeding them, bringing them home, separation allowances to their dependents, maintenance of medical services and vocational training schools.

\$59,000,000 of the Victory Loan 1918 was paid on account of authorized Soldiers' gratuities.

\$9,000,000 was spent at Halifax for relief and reconstruction after the disaster.

+ + + + + + +

Other disbursements were not strictly speaking expenditures, but National Re-investments.

To Great Britain for example:

\$173,500,000 was loaned for the purchase of our wheat and cereals.

\$9,000,000 for our fish.

\$30,000,000 for other Foodstuffs.

\$2,900,000 for Canadian built ships.

\$5,500,000 to pay other British obligations in Canada.

Making in all \$220,900,000 advanced to Great Britain.

To our Allies we loaned \$8,200,000 for the purchase of Canadian foodstuffs, raw material and manufactured products.

The Re-investments will be paid back to Canada in due time, with interest.

These credits were absolutely necessary to secure the orders for Canada because cash purchases were impossible.

They have had the effect of tremendously helping agricultural and industrial workers to tide over the depression that would have followed the Armistice, had we not made these credit loans.

As far as money is concerned, 1919 has been, and is still—just as much a war year as 1918. Our main expenditures for war cannot be completed until well on into 1920. Thus another Victory Loan is necessary—Get ready to buy.
